

1. Think about a situation where you did not know something was a sin and then **the Bible told you it was a sin** (Rom 7:7). If possible, find the Bible verse that told you.
2. Can you recall how, when you were an unbeliever, the Holy Spirit **convicted you** that you were a sinner under the wrath of God because of your unbelief (John 16:8, John 3:36)?
3. How about a time when sin in you (or someone else) took opportunity through the commandment (was **incited to disobey** once you were made aware that God's law prohibited a certain thing) Rom 7:8?
4. How does **the Law** function as our **schoolmaster or tutor to lead us to Christ** (Gal 3:24)? Beyond showing us that we are sinners, what else does the Law accomplish in our hearts to lead us to Christ?
